

WYANDANCH COTTAGE

SOUTHAMPTON, USA

For a sort of straight-out-of-a-Tommy-Hilfiger-campaign holiday, the Hamptons pulls out all the stops: fresh sea air, cool Atlantic winds and striped deckchairs. Take cute-as-a-button Wyandanch for a couple of weeks and go native: spend days jumping in the waves at Cryder Beach, venture out on cycle rides and crabbing trips, pick up baked pies from Round Swamp Farm and munch on shrimp tacos at La Fondita. Bulk-order your LL Bean totes before you go or you'll be the only gang without them.

Sleeps Six Book it *In Villas Veritas* offers seven nights from £4,860 (invillas.com or 001 203 987 4280).
